

Driver Education - 2018 Second Letter To Parents

First Session

Where: Classes will meet at Riley County High School Commons.

When: First Session will begin on **Friday, May 25th, 8:00 AM.**

Classroom sessions will be for 2 hours a day for five days. We will not meet or drive on week-ends or on Memorial Day.

Driving groups and driving times for first session will be sent out soon.

Second Session

Where: Classes will meet at Riley County High School Commons.

When: Second Session will begin on **Thursday, June 21st, 8:00 AM.**

Driving groups and times will be arranged on the first day of class.

Parents are responsible for getting the students to and from the classroom sessions. If the student drives immediately after the classroom session we will drop them off at their home. After the classroom part of the schedule is finished we will pick up and drop off students at their homes. If you would like for us to pick a student up, or drop a student off at a location other than your home you may write us a note and we will try to accommodate you. Pick up and drop off times are approximate. We may be a few minutes early or late depending on the order of pick-ups or drop offs.

If students drive during the noon hour we will take a half hour break for lunch. If your son or daughter wants to eat or just get something to drink they will need to bring enough money for their needs.

If you have questions about the second session driving groups or times you need to contact Mr. Taphorn at the grade school. (485-4045) dtaphorn@usd378.org

We will not be calling students at home if they don't show up for the first day of class. If a student cannot attend class they must contact Mr. Wagner at the high school.

The fee for Driver Education this year is \$100.00 to offset the cost of the summer Driver's Education Program. Please pay the fee at the high school or district office before classes start.

Completing slips will be turned in to the high school and may be picked up there.

We only have 5 classroom sessions so we expect every student to be at every classroom session. Any camps or other commitments will need to be worked around the Driver Education classroom sessions.
